### **Hamilton Mayor tours TAARI to observe technology and innovation breakthroughs.**

Hamilton Mayor Andrea Howarth was given a tour of TAARI by Dr. Gui Pare (centre left) and Dr. Marc Jeschke (centre right). Photo courtesy of HHS.

Hamilton Mayor Andrea Howarth toured the TAARI labs at the David Braley Research Institute on Feb. 23, 2024. The Mayor was accompanied by members of the City's Economic Development team. The Mayor understands that technology is a major driver of economic development and plans to highlight the research done here as the city looks to drive future growth. The Mayor saw how our innovative life science research is improving local and global health outcomes.
